“ What I would do for a &cheek to cheek& hug right now from my grandad. He was such a caring, supportive grandfather. He made sure that everyone he loved knew so-he wanted and expected nothing less than the best for all that he loved. I love you grandad, and you will never be forgotten.

“ Dear Toots, Mark, Chuck, Kenneth and Bessie, I was saddened to learn of your father&s death yesterday. I first met Wayne about 49 years ago when he was doing his student teaching in mathematics at Waynoka High School. He had an excellent grasp of the subject and would have made a fine teacher. Later, when I returned to Waynoka to take over my father&s dental practice, Wayne was one of the first businessmen that I met. I felt like he was a great community leader and that I truly benefitted from my association with Wayne. He was an excellent arm-twister and was one to delegate with the result of getting the job done to the benefit of, not himself, but for the community. My sympathy is offered to the whole family. We are comforted to know that God has promised ressurection for Wayne, and for God.....it is IMPOSSIBLE for Him to lie. Gary Whiteside

“ To Toots, Mark, and family, I am also grieved at the loss of my good friend, Wayne. For many years Wayne was like my big brother, looking out for me and my family. He did so many good and wonderful things that I will always cherish. He was especially kind when I was going through the pain of losing my Mother. I know you will find comfort knowing he is now in God's care. Special love goes to Wayne's family
