“ I knew Yvonne for decades, I always fed her horses their round bales of hay. She had her horses everywhere, but I didn't mind the inconvenience. I was her #1 emergency call person when she was faced with an emergency. The great flood and the junkyard fire both North of town. I have her rescue cat at my farm, a beautiful white very loving cat. She helped me many times when I had it rough in my life. She was an excellent counselor. God bless you my dear friend. Mark Dubben

“ Yvonne has been a dear friend for almost 20 years. She started me on my horsemanship journey and was always generous with her time and talent. She stayed with us often when a clinic or insurance class brought her to the city and I always enjoyed her sense of humor. A very generous lady. I'll miss her. Ride on in paradise Yvonne💕💕
